

Fairport Harbor Exempted Village Schools

Classes of 2023 & Beyond

In addition to fulfilling curriculum requirements and earning the competency requirements listed above, students also must show they are prepared for college or careers. Ohio law created 12 seals for students to demonstrate academic, technical, and professional readiness for careers, college, the military, or self-sustaining professions. Each seal allows students to demonstrate knowledge and skills essential for future success. Students will demonstrate readiness by earning at least two diploma seals, one of which must be state-defined and one will be defined locally. Seals help students develop an array of critical skills that are valuable to them as they transition to the next steps after high school.

Listed below are the three locally defined seals that students may earn and the requirements needed.

Local Community Service Seal

- In order to earn the Community Service Seal at Fairport Harding High School under the Ohio graduation requirements for students in the graduating classes of 2023 and beyond, each student will need to complete a total of 100 hours of community service during their four years of high school. It is recommended that students complete 25 hours of community service each year. Students who transfer to Fairport Harding High School will only be held accountable for 25 hours per year of enrollment. Students will use the Community Service Form to document volunteerism, which needs to be signed by the volunteer coordinator and turned in to the School Counselor. During the Senior year, earned hours must be documented by May 1.

Local Fine and Performing Arts Seal

- In order to earn the Fine and Performing Arts Seal at Fairport Harding High School under the Ohio graduation requirements for students in the graduating classes of 2023 and beyond, each student will need to complete 3 credits in the areas of Fine and Performing Arts with a grade of C or higher. Fine Arts courses include Art courses, theater, band, and any courses listed in higher education curriculum guides. If you are unsure if the course you are taking meets these criteria, please seek guidance from the school counselor.

Local Student Engagement Seal

- In order to earn the Student Engagement Seal at Fairport Harding High School under the Ohio graduation requirements for students in the graduating classes of 2023 and beyond, each student will need to complete 4 activities during their high school career in any non-academic program(s). Students who transfer to Fairport Harding High School will only be held accountable to complete one activity per year of enrollment. Students will use the Student Engagement Form to document participation, which needs to be signed by the advisor and turned in to Guidance. Activities may include any extracurricular activities such as athletics or clubs.
