## \$458 Million in School Construction Projects Approved by Commission

The Ohio Facilities Construction Commission (OFCC) today announced the approval of more than \$307 million in state funding for five school construction projects. Combined with \$151 million in local funding, these projects represent more than \$458 million in public construction work.

“OFCC’s action today supports student success in local communities across the state,” said Ohio Governor Mike DeWine. “The investments being made in these schools will create safe, modern, and flexible learning environments that promote opportunities for academic excellence and prepare students for a successful future.”

State funding was approved for the following projects:

District	County	State Share	Local Share	Total
Brunswick CSD – Segment. 1	Medina	\$42,615,977	\$66,655,758	\$109,271,735
Crestview LSD	Columbiana	\$55,643,416	\$7,587,738	\$63,231,154
Fairport Harbor EVSD	Lake	\$46,901,520	\$3,530,222	\$50,431,742
West Carrollton CSD	Montgomery	\$124,285,706	\$29,153,437	\$153,439,143
Xenia Community CSD – Segment 2F	Greene	\$37,869,769	\$44,455,816	\$85,325,585
<b>TOTAL</b>		<b>\$307,316,388</b>	<b>\$151,382,971</b>	<b>\$458,699,359</b>

“The condition of school facilities impact student achievement, as well as teacher engagement and satisfaction,” said OFCC Executive Director Cheryl J. Lyman. “These schools will be designed and constructed using best practices and last for generations.”

Funding awards are contingent upon State Controlling Board approval.

Projects receiving funding offers from the Commission are:

***Brunswick City School District (Medina)*** – To build one new high school for grades 9-12

***Crestview Local School District (Columbiana)*** – To build a new PK-12 building

***Fairport Harbor Exempted Village School District (Lake)*** – To build a new PK-12 building

-more-

***West Carrollton City School District (Montgomery)*** – To build one new elementary school for grades 2-4 and one new middle/high school for grades 7-12 and Career Tech

***Xenia School District (Greene)*** – To build one new middle school for grades 6-8; renovations and addition to Xenia High School for grades 9-12 and Career Tech

#### **About OFCC**

The Ohio Facilities Construction Commission oversees capital projects undertaken by state agencies and state-supported institutions of higher education; manages Ohio's school facility programs which provide support for the construction and renovation of public K-12 schools; and administers the funding for community-based cultural and sports facilities projects.

The Commission's mission is to lead collaboration with our partners in the planning, design, and construction of public facilities through quality service, expertise, and knowledge sharing.
