Fairport Harbor Schools
Safe Harbor Restart Plan

Guiding Light

**FHEVS** will work closely with the Lake County Health Department to promote safety in all of our buildings. In the event that we have a confirmed case of COVID-19 we will work with health officials to implement appropriate steps.

FHEVS acknowledges that some level of risk will always be present when children and school district employees occupy district facilities.

School staff will be required to report temperatures and symptoms daily. Parents and guardians will self-assess their child’s health condition PRIOR to sending them to school.

Face coverings will be required. Medical exemptions for masks will be considered with written documentation from a physician.

Lake County COVID-19 Risk Level Guidelines for the COVID Public Health Emergency

**Fairport Harbor Schools Instruction Options**

- **Traditional Schedule**: All staff and students report to school daily for instruction while following enhanced hygiene protocols.
- **Hybrid**: Half of the school population in attendance each day
- **Remote Schedule**: All students and staff assigned to learn / work from home.

**Fairport Harbor Schools Breakwater Academy Online**

100% Online Learning Option
Complete Attendance form by AUGUST 7, 2020
Students will be able to participate in extracurricular activities
Limited in-person teacher consultation available

**Calendar**

The school calendar will be revised. Students will start school on **September 8th 2020** under whichever color the county is in at that time.

A phased reentry plan will be implemented for students starting the week of August 31st if in-person instruction is possible at that time.

**Classrooms**

Classroom capacity will be determined by classroom size and the color level under which we are operating. Each classroom will be equipped with hand sanitizing stations and cleaning essentials.

**Food Service**

We will continue to offer food service. Logistics will be determined by color level and response need.

**Sports**

Middle School and High School sports will be practiced in accordance with OHSAA and public health guidance.

**Technology**

The school district will provide the necessary technology for all students who are attending through one of these models.

#### Harding High School
- Students in grades 6-9 would attend school and follow a typical schedule with appropriate hygiene practices in place.

- Grade 10-11-12 would be online and have in person options scheduled with their teacher(s).

- Students in grades 6-9 would attend on a rotating basis. A/B alternating weeks schedule in order to accommodate further social distancing. Days of the week and times would need to be established by a building team.

- Grade 10-11-12 would be online and have in person options scheduled with their teacher(s).

#### McKinley Elementary
- All staff and students report to school daily for instruction while following enhanced hygiene protocols.

- Students would attend on a rotating basis. (Days of the week and times would need to be established by a building team).

- Students would attend school remotely

- Attendance would be taken daily

- Instruction will be mostly Synchronous but Asynchronous options will be available

### Fairport Harbor Schools Breakwater Academy Online

Breakwater is a 100% Online Learning Option. Students who participate in Breakwater will independently complete work within the Breakwater platform, this include self-directed, independent learning. Breakwater presents modules to students that are aligned to state standards.

Students will complete the lessons (Similar to an online textbook) which will then be graded by an FHS teacher. The teachers will be available for limited, teacher consultation regarding the program. Student who are taking classes on Breakwater will be able to participate in extracurricular activities through the school, as though they were a traditional student.

PLEASE NOTE: This is different than the REMOTE LEARNING online option.
