Dear Student/Parent/Guardian,

A new rule has been put in place in regards to students “underperforming” in the College Credit Plus program. A student who meets at least one of the following conditions is considered underperforming. These conditions include (1) A student who falls below 2.0 cumulative grade point average in college credit plus; and/or (2) A student who withdraws from, or receives no credit for, two or more courses in the same term.

According to this rule, if a student has been identified as “underperforming” he/she will be placed on CCP probation. While on CCP probation (1) students may enroll in no more than one college course in any term; and (2) shall not enroll in a college course in the same subject as a college course in which a grade earned was a “D” or “F” or for which the student received no credit. A student may be on probation for a maximum of two terms.

If the underperforming student registered for more than one college course for the next term prior to being placed on CCP probation, they shall request the college to dis-enroll them from the courses necessary to comply with this rule. The student will need to complete a drop/add form from the college. If the student fails to disenroll from the courses, they will be notified and the student and parents will be responsible for the tuition, fees, and textbook costs and be declared ineligible and dismissed from the CCP program.

If the student takes a college course while on probation and the course grade raises the cumulative grade point average in college to a 2.0 or higher, the student may be removed from CCP probation and participate in the program without restrictions. If the student takes a college course while on probation and the course grade does not raise the cumulative grade point average, the student will be dismissed from the program.

If the student is placed on CCP probation or dismissed from CCP, he/she may initiate the appeal process. In order to appeal, the student must complete and submit within five days of notification the Fairport Harding High School Appeal Petition. This appeal shall be submitted to the superintendent for review.

If you have any questions about this new rule, please contact Mrs. Jurick at 354-5400.

Sincerely,

Mrs. Jurick
School Counselor

Mrs. Rumbarger
